US-China Exchange/CAST-CT 2014 Annual Conference

## 合作与发展

美中交流论坛

暨中国旅美科技协会康州分会 2014 年会

(Yale University, Dec 13, 2014)

美中交流论坛将以耶鲁大学为平台，聚集相关高科技领域的知名专家，学者，政府官员，和高校及企业高管，对中美之间高科技领域的人才与学术交流，企业的创新与合作及经贸关系等方面做深入的交流和探讨，并对未来双边在上述领域的合作和共赢作出展望。

本届论坛将于 2014 年 12 月 13 日在耶鲁大学医学院公卫系举办。论坛由主题演讲及专题研讨会组成，参与演讲和讨论的嘉宾将包括来自中美两国的政府官员、非政府组织领导、企业领军人物、知名专家学者、访问学者，科研人员及在校本科和研究生。

时间：2014 年 12 月 13 日 (周六): 1 - 4: 30

地点：耶鲁大学医学院公卫系 LEPH Winslow Auditorium,

60 College St, New Haven, 06511,

Yale School of Medicine, Department of Public Health

Parking info can be found at <http://publichealth.yale.edu/about/map.aspx>.

Previously, Lynn was the founder and CEO of AlumVest, an award winning crowdfunding startup that connects entrepreneurs with alumni and peer investors. In her past corporate life, Lynn worked as an international business strategist at comScore, established its China/HK presence and developed the first group of Chinese clients. She subsequently founded a profitable educational company and a cross border consulting advisory firm that served small to large international Internet clients, including Komli, Tencent and Groupon.

Lynn is a Duke graduate; she is currently taking a leave absence from Columbia Business School to devote every working hour to Haitou.

### **3. Dr. John Mei, 梅建峰 博士**

Sr. Medical Science Consultant at Baxter Healthcare

President of Synatural Pharmaceuticals

Founder Global Health and Education Foundation

过去十几年在公司的工作经历，从事过蛋白质组学，中医中药，艾滋病方面的工作的研究，发表在 Science 杂志上。在 2007 年，应用蛋白质组学，遗传学，化学，及生物信息学的手段，成立了一个研究机构（Greenworld Institute）， 注重于冬虫夏草和松露的药物研究。 主要工作是临床药物的开发，包括临床试验和药物批件之后的科学管理。曾经 (Boehringer Ingeheim) 和 Baxter 主持过多项临床试验。在 2007 年底，成立了世界性的非营利组织——全球健康教育基金会（Global Health Education Foundatin - [www.globalhef.org](http://www.globalhef.org)）. 专注于第三世界地区的医务人员的职业教育。特别是非洲和美国印第安人聚居区的医疗宣传工作。2010 年获得美国政府的 501 (c) (3) 资格。 过去的两年时间，从斯隆凯特琳肿瘤中心，哥伦比亚大学，康奈尔大学和施贵宝转让了几项专利，成立了包括 Synatural Pharmaceuticals, 和 Claymore Technologies 等公司。主要是抗癌药物和诊断技术方面的专利。

毕业于厦门大学生物系。康奈尔大学医学院（神经医学）斯隆凯特琳肿瘤中心的哲学博士学位（分子神经药理学）。耶鲁大学医学院博士后。

### **4. Yongmei Li, PhD, 李永梅 博士**

**Vice President, SAPA-CT**

**Co-founder, Life Science Quest**

Yongmei Li is the co-founder of Life Science Quest, a startup company that helps small-to-medium size bio-pharmaceutical, medical device, and other life science ventures promote innovative technology, unlock global market potential, and empower overall business growth. Prior to that, she had more than ten years of experience working in Boehringer Ingelheim Pharmaceuticals, Inc. As a Senior Principal Scientist, she led a group of scientists in drug metabolism and pharmacokinetics in support of new drug development. She had successfully led the research on drug metabolism and drug-drug interactions for a second-generation anti-HCV drug, and relevant regulatory submissions in US, Europe, and Japan. Yongmei currently serves as Vice President of Sino-American Pharmaceutical Professionals Association - Connecticut chapter (SAPA-CT). She holds a Ph.D. in Pharmacognosy (Natural Product Chemistry) from the College of Pharmacy, University of Illinois, and a MS in Pharmacognosy and a BS degree in Pharmacy from the West China University of Medical Sciences.

## 5. Ruobing Xia, 夏若冰, Co-founder, Life Science Quest

Life Science Quest co-founder Ruobing Xia oversees global strategy, business development, and commercial operations. Previously, she had a progressive career working with Eli Lilly and Company and Boehringer Ingelheim Pharmaceuticals, Inc. Her contributions spanned many cross-functional areas including sales and marketing strategy, product launches, business development and licensing, all informed by her early career in foreign trade, international banking, finance, and venture development. Ruobing holds Master degrees in International Affairs (finance) from Columbia University in New York City and Business Administration from IMD in Lausanne, Switzerland.

附二：

中国旅美康州科技协会（CAST-CT）于 2001 年创办，既作为中国旅美科技协会（CAST-USA, 1992 年成立）的一个分会，也于 2006 年在康州独立注册为非赢利机构，并于 2008 年初独立取得非赢利机构免税资格。康州科协致力于建立新一代华人学者和专业人士包括康州从北到南的科研人员、工程师、企业、经贸和金融界人士等的交流、合作、创业和发展的平台，并成为美中文化、科技、教育及经贸等领域友谊和合作桥梁的康州“桥头堡”。
